

Church Funding Services

Our Approach

Our approach for all clients, of any size, ensures that we make every effort to work with you to achieve your goals.

We are a leader in church related campaigns. Our professional staff have extensive church experience and are particularly sensitive to the concerns of the clergy and lay people regarding fund raising in the church. We know the importance of proper language and approach.

PMC Inc. knows that raising money is most effective when it is integrated into the overall mission, teaching and direction of the parish. We are aware of the non-financial goals as well as the financial goals and remain sensitive to these equally important objectives.

Our firm has achieved extraordinary results in the past and this experience will benefit you.
