## Our Experienced Team Lays a Solid Foundation for Bayview Glen's Future!

### A message from Tom Baker, Chair, Bayview Glen Foundation Board

In June, I had the pleasure of unveiling Bayview Glen's Ten Year Plan for a "Smart Campus". During the Foundation Board Meeting on October 30<sup>th</sup> at the Granite Club, our experienced team provided an update on our unique and dynamic programme. Further details were revealed which includes...

*Brad Badeau, Co-Chair, Campus Master Plan Programme, Tom Baker, Chair, Bayview Glen Foundation Board, and George Przybylowski, Co-Chair, Campus Master Plan Programme*

**Brad Badeau, Co-Chair, Campus Master Plan Programme**, announced that the Macmarmon Board has *unanimously approved the acquisition of the David Duncan property and the Ten Year Master Plan "Smart Campus" Programme*. Brad recognized the development of new indoor and outdoor athletic facilities, an Alumni/Conference Centre and the variety of enhanced teaching and learning environment facilities to support faculty, staff and, most importantly, our children. Upon completion of the Master Plan, Brad emphasized that Bayview Glen will be "the pre-eminent, independent, co-ed, tier one school of choice in the Greater Toronto Area."

*Jon Carman, Co-Chair, Design Build Initiative*

**Jon Carman, Co-Chair, Design Build**, outlined initiatives to strengthen school branding including new entry gateway and perimeter piers, and a 'green' wall featuring the school crest and name. He also reinforced strong safety and security measures to control pedestrian flow and an improved circulation and parking strategy – with vehicular access, drop-off and parking and a complete pedestrian network.

**George Przybylowski, Co-Chair, Campus Master Plan Programme**, highlighted our "strong leadership to accomplish the task, experienced philanthropic professionals, comprehensive plan to achieve our goals and dynamic marketing programme to support our efforts." He encouraged everyone to "participate each in our own way to support the campaign."

**Poonam Kumar, Chair, Macmarmon Board of Directors / Honorary Cabinet Member**, congratulated Tom Baker and members of the Foundation Team for bringing together such outstanding leadership to implement the Master Plan.

I am very pleased to welcome five new members to our Foundation Board Team:

- **Peter Govas**, Vice President, RBC Dominion Securities – Canadian Money Market
- **Gordon Mount**, Chartered Accountant, KPMG
- **Charles Ivey**, Vice President, PharmEng International Inc.
- **Raghu Kitambi**, Chief Executive Officer, Swiss Medica
- **Bruce Robertson**, Managing Partner, Brookfield Asset Management

Thank you for joining the Team.
